1. The City has a fiduciary responsibility to maximize the productive use of its assets entrusted to its care and to manage those public funds wisely and prudently. To achieve this responsibility, the City has an adopted [Investment Policy](#) to guide the investment of idle City funds.
2. California Government Code Sections 41004 and 53607 requires the City to report certain investment and financial activity, each month. The short-term portfolio is made up of fixed income securities that mature in less than one year and the long-term portfolio is made up of fixed income securities whose maturities are greater than one year, but less than five years.
4. PFM Asset Management LLC provides advisory services to the City for the short-term and long-term portfolios; liquidity funds are managed by the Administrative Services Director/City Treasurer.
