Mayor & City Council Members,

I am writing in support of the SLO County Regional Homelessness & Affordable Housing Compact, which the City of San Luis Obispo approved in March 2026.

The County's Homeless Services Division, and our respective cities, have made significant progress the last three years to streamline our collective efforts to prevent and address homelessness. This Compact represents a commitment by the County and each of our cities to continue collaborating to advance our shared goals and priorities.

I look forward to continuing to work with your Homeless Services Manager, Ashlee Hernandez, and the City of Paso Robles, on our regional efforts to address homelessness.

Sincerely,
Daisy Wiberg
