Kris Beal, M.S.

Street | Paso Robles, CA 93446

September 20, 2023

Mayor Hamon and Council Members
City of Paso Robles
1000 Spring Street
Paso Robles, CA 93446

Dear Mayor Hamon and Council Members:

After serious consideration, I am pleased to submit my application to serve as the Council Member for District 1.

I want to acknowledge Mayor Martin's leadership and the Council's hard work in identifying meaningful goals for the City: economic vitality, infrastructure, housing, public safety, quality of life, and governance. The adopted goals, informed by public participation, are an excellent roadmap to strengthen our community resources that serve all our residents. In addition, I appreciate how the council works together to address the challenges facing our community. I believe my unique skills and experience will complement the existing efforts to realize the City's goals and vision.

I came to Paso Robles as a young girl in the 70's. I was a 4-H'er, Pioneer Player, and PRHS graduate. Later, I was a single mom, a baseball mom, and a Bearcat mom. I chose to raise my son here on purpose. Paso is my home and I care deeply about creating economic and quality of life opportunities for our community.

I earned my Masters in Agriculture at Cal Poly. In my early career, I taught irrigation at Cal Poly, conducted research at the Irrigation Training and Research Center, educated first responders through the County Ag Department, analyzed ag water use numbers for the county master water plan in the 90's, and co-authored a textbook.

Later, I served as Executive Director to the Vineyard Team, a local non-profit dedicated to sustainable winegrowing – a position I held for 23 years. We conducted research and education on integrated pest management, irrigation management, water quality, and more. We conducted grower-to-grower and worker-to-worker outreach in English and Spanish. We initiated a scholarship program for children of agricultural workers, and have distributed \$270K since 2015.

Our work was rooted in education, outreach, cooperative partnerships, relationship building, and reliable information. We were recognized as leaders by the Environmental Protection Agency, Regional Water Quality Control Board, Department of Water Resources, and Department of Pesticide Regulation. Personally, I was honored with the SLO County Winegrower Person of the Year Award and California Ag Leadership Profile in Leadership Award. In both cases, I was selected by my peers.

I worked with small and large farmers, environmentalists, non-profits, and regulators. I've led and sat on committees. Locally, I sat on various water committees. I've spent considerable time collaborating with government agencies.

Attachment 1

After much reflection, I see the roles and responsibilities of a council member as being very similar to that of an executive director.

From a business perspective, I managed budgets, payroll, communications, services, contracts, compliance, and programs. I was an employee and an employer. While a non-profit is “owned” by the public, the business practices still apply.

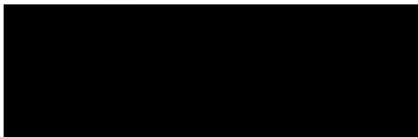

In addition, a council member is a public facing ambassador for the city, who both shares and receives information from the community. These communications must be two way and based on respect to build understanding. In addition, the council, with input from the community, leads a goal setting process that serves as a road map for staff. The council conducts oversight to ensure progress towards measurable objectives. These responsibilities are key for effective operations and developing public trust. As Executive Director, I fulfilled these roles.

The skills and experience I bring complement the strengths of the current council. I am semi-retired and have the time to commit to the work. I do not have conflicts with council business. I am ready to serve our community in a new way.

While we all wish this appointment weren't necessary, this is an opportunity for us to honor Mayor Martin's legacy by ensuring the city's goals are realized and that we lead with care for our entire community. We can do this by continuing to steward productive and respectful relationships, strengthening collaborative partnerships, building on the assets of the council, and approaching this chapter with hard work and enthusiasm.

I respectfully ask for your support.

Sincerely,

A solid black rectangular box redacting the signature of Kris Beal.

Kris Beal

Attachment 1

LINDA C. GEORGE DIST 1 CITY COUNCIL APPLICATION PAGE 2.

I feel that I have the knowledge, skills and ability to improve North County. I have lived here and already have a grasp of the needs in this area. The makeup of NC is almost 50/50 Caucasian and Hispanic. As a Native American I do not speak Spanish but I have an understanding of low income areas, farmworkers and unincorporated alike. I have rented all my life and this is the area in Paso Robles that we need to keep low income living low.

I also have a great handle and knowledge of the function of Caltrans. I worked in Dist 4. Local Assistance for 2 years. I collected the sq mileage from the adjoining Bay Area cities. This was how California spends its gas taxes.

I believe that Paso Robles is on the right track on supporting the needs of tourists and locals alike. It is important to treat the locals like tourists and tourists like locals. There needs to be a balance of how the community interacts and feels included.

I would make the City Manger and the City Attorney's job a lot easier. I love to analyze anything given to me. Compare to the Government Codes, and other sources to determine the best solutions. If there is no solution, there is always a workaround.

I believe Paso Robles, being the elbow of California, has the ability to make a very groundbreaking way of handling the unhoused. We could be the model for the State. We have a great foundation in all services for the unhoused.

I have a great many ideas, thoughts to District 1, including possible beautification projects. I am about strengthening the City Ordinances where needed, and continuing on with the path of growth that is reasonable to both locals and tourists.

Wherever I have lived, I have made city improvements via Caltrans Local Assistance funds. In Union City, I worked with the COPPS project and we beautified an alley to stop gangs from walking through. In Castro Valley, I initiated via Alameda County Public Works a flashing crosswalk for many who were being hit. I hope I can continue to find areas we can improve in Dist 1. Wherever I live, I must help improve. Paso Robles Mobile Estates on 3126, now has a corner mailbox. New fire lanes and cleaner facilities to be upgraded park as a whole. I hope I can expand my work to the adjoining neighborhoods.

[REDACTED]

My Why.

Why do I want to serve on the Council? I want to give back to my community. I love living here. I want to see this community *grow and* still keep that "Paso charm". As my time as the Chairman of the Board with the Paso Robles Chamber of Commerce we worked with the City and our focus was strong in all things economic development.

I want our locals and those that visit to feel safe here. Recently I was getting gas at Sprit on Spring Street, around 4pm. As I was entering to pay there was an unhoused individual that was also trying to go in. He was shirtless, and had a knife tied around his waist. That was the first time that I didn't feel safe in Paso Robles. I work on Spring Street across from The Paso Market Walk, I see and hear a lot of unhoused people walking around, throwing things, yelling at no one. We need to find a way to help these people. I understand that the City can only do so much and there is a lot of red tape at the State and Federal level, but there must be some other things that we can try. I would like to really focus on this.

I would like to also focus on keeping our kids in Paso Robles after they graduate. My son is 18 and there is no way that he could afford to live here. Housing costs are out of control. It is not just Paso Robles, it is the entire Central Coast and California for that matter, but it would be nice to have more affordable housing and entry level jobs.

I look forward to an opportunity.

Volunteering

I started volunteering in Paso Robles with the Main Street Association on one of the committees. Then moved on to the Main Street Board as the Secretary. I was in that position until October of 2017. In January of 2017 I volunteered for the Paso Robles Chamber of Commerce as a committee member. Then the next year I was also on the executive team. I moved thru those chairs as was the Chairman of the Board in 2019. I returned to the board in January of 2022.

Liz Lee

Greetings! I am humbled to submit my application to you for the city council position. It is a decision I am making whole heartedly as I have been thinking about how I could make a difference. I hail from the city of Chicago, born in Brooklyn, NY. Life changes led me to this area in 1995 as I was finishing up my undergraduate degree from Whittier College, Nixon's alma mater so I have seen the growth Paso has gone through since then. I permanently moved here in 2004 where I started working at Century 21 with some of the original Paso Roblans and established wonderful friendships which I treasure still today, therefore understand the values here in Paso. I currently own my brokerage company, Heart to Heart Real Estate which my partner, Mark McConnell and I established after the economic downturn in 2009 with the intention of giving back to the community. Since inception, we have made incredible partnerships throughout SLO County in bettering the lives of our residents through organizations such as SLO Food Bank, Boys and Girls Club, ECHO, Restorative Partners, Lumina Alliance, CASA, and many more. In 2018, I was named the Hall of Fame Business Woman of the Year by the San Luis Obispo County Commission on the Status of Women.

Along with being a resident here in Paso since 2004 and being actively engaged throughout the community, I bring a business and development background where I was involved with a redevelopment project in Chicago, working with local agencies and dignitaries such as Congressman Danny Davis, and business owners to create affordable housing and job opportunities. During that time, I also attended Loyola Law School where I obtained a degree in Business Law.

Thank you for your consideration and I look forward to collaborating with the Councilmen and Mayor on the future of Paso Robles!

Attachment 1

Attachment to Application dated September 16, 2023

Applicant: Sharon L. Roden

I am a fifth generation native of San Luis Obispo County. I have lived in the City of Paso Robles for over 40 years. I am a business woman, an agriculturalist and an investor in our community.

As a business woman in agriculture, I have managed our family's pistachio orchards for over 35 years. I have prepared budgets, managed employees, handled labor issues and incorporated innovative farming practices. Since our lands are located in a State water district, I am involved in the challenge of water allocations, infrastructure and supplies locally and state wide.

As a leader in the pistachio industry, I was Chair of American Pistachio Growers (APG). APG is a non profit trade organization representing over 800 growers in California, Arizona and New Mexico. APG promotes industry marketing, government relations and nutrition research for domestic and international markets. I served on the APG Board of Directors from 2015- 2020, with the last two years as Chair. In this capacity I met with Congressional representatives and the Under Secretary of Agriculture in Washington DC to discuss issues pertinent to our industry. In 2017 I testified before the International Trade Commission for the continuation of import tariffs on Iranian pistachios.

As a Paso Roblan I am invested in our community. I own and operate both long term and short term rentals. As such, I am familiar with tourism, housing issues, infrastructure and landlord/tenant relations.

In summary, I want to serve on the Paso Robles City Council because I was born here, continue to reside here and have businesses here. I support responsible growth of our town while still preserving the history, character and heart of our very special community.

ADDITIONAL INFORMATION

Please provide any supplemental information to this application, including the specific reason you believe you should be appointed to fill this vacancy. (add additional page if needed)

As a resident since 1948, I've seen Paso transformed through the leadership of the city council and mayor's office from an almond and wheat producing region to an amazing wine travel destination. We enjoy an incredible down town with lake Nacimiento as our back yard. I feel that it is time to give back to Paso a portion of the blessings I've received over the years!

Application for appointment to fill vacancy in city council District 1

Additional Information:

I have been a licensed insurance producer since 1985 and operated an insurance agency for approximately fifteen years.

I would be a good fit for the public appointment (Form 806) per the Maddy Act to the California Joint Powers Insurance Authority (CJPIA) a position previously held by Steve Martin.
