RE: SOLE SOURCE JUSTIFICATION FOR ENVIRONMENTAL DOCUMENTS
PREPARATION FOR ANNEXATION OF CITY PROPERTY ADJACENT TO
THE CITY LANDFILL

SWCA is a preferred vendor for the City for property annexation. They helped us through the Gateway Annexation process and frequently collaborate with Warren Frace and his Community Development team. Additionally, they completed the CEQA work for the (HZI) anaerobic digester in SLO.

They are the best-qualified company to complete this specific type of work.

Thank you,
