EXCLUSIONS: Per existing agreement

TERMS & CONDITIONS

1. **ACCEPTANCE**
BES (also referred to as Bear Electrical Solutions or Contractor) proposal / contract shall accompany the Customer's Purchase Order, Work Order or Contract in order to validate the bid proposal. It is understood that the issuance of a work order, purchase order, contract, verbal direction or other written request for delivery or commencement of work by the customer indicates the Customer's acceptance of this proposal / contract in whole.
2. **BILLING TERMS**
Payment for services rendered is due in full upon receipt of invoice. Invoices shall be payable in full. Obligation of Customer to pay BES is independent from and unrelated to other obligations owed between Customer and BES and /or

Attachment 2

Contractors License No. 982079

Customer and any other party. This proposal is based on rates in effect at the date of our initial proposal and is subject to any increase that may come into effect 30 days or more after the initial date quoted.

3. **EXTRA WORK**
BES will not perform any extra work or modifications outside of this proposal unless agreed to in writing by change order to this proposal/contract or written approval.
4. **ALTERATIONS:**
BES shall be held harmless for fines, citations, injuries and property damage that results from our electrical work being altered from its original design.
5. **INDEMNIFICATION:**
The customer agrees to fully indemnify and hold harmless BES from all claims, costs, actions, damages, liabilities and expense, including reasonable attorney's fees, which may be brought or made against BES, which in any way arise out of, or by any reason of, the use or misuse of BES's equipment rented hereunder, excepting only such actions, claims, costs, damages, liabilities and expenses resulting from the sole negligence of BES. The intent hereof is that Customer shall fully indemnify and hold harmless BES to the maximum extent allowed by law.
6. **GENERAL:**
This proposal/contract (the "Agreement") may be signed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. If any provision of this Agreement shall be adjudged by any court of competent jurisdiction to be unenforceable or invalid, that provision shall be limited or eliminated to the minimum extent necessary so that this Agreement shall otherwise remain in full force and effect and enforceable. The failure of either party to act in the event of a breach of this Agreement by the other shall not be deemed a waiver of such breach or a waiver of future breaches, unless such waiver shall be in writing and signed by the party against whom enforcement is sought. This Agreement constitutes the entire agreement and understanding of the parties with respect to the subject matter of this Agreement. Any amendment or modification of this Agreement shall be in writing and executed by a duly authorized representative of the parties.
In any action brought a party hereto to enforce or interpret this Agreement, the prevailing party shall be entitled to the award of its attorneys' fees and costs in addition to such other relief as may be awarded

BES would like to thank you for the opportunity to provide you with this proposal.

Please give us a call with any questions or concerns.
