Paso Robles City Council,

Please enter this into record for the May 7th City Council Meeting, Agenda Item #5 Discussion Regarding Downtown Parking and Potential Next Steps Regarding the Implementation or Continued Suspension/Repeal of Ordinance Number 1135

To City Council:

Regardless of the Referendum failing according to the City Manager and Attorney, I believe that your constituents have spoken LOUDLY with over 2400 signatures to Require Voter Approval of Paid Parking Zones Ordinances.

You have a chance to make sure We the People are heard and rectify the situation at the May 7th City Council Meeting. Put it on the November Ballot for We the People to decide for, or against, Paid Parking Zones.

I am looking forward to a response from the Mayor, and our district representative Roden, along with any others on the council who take this matter seriously.

Sincerely,

Sarah Barnes

Paso Robles, CA 93446
