RESOLUTION 24-XXX

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF EL PASO DE ROBLES AUTHORIZING THE PURCHASE OF AN EMERGENCY SERVICES TRAINING CAPTAIN VEHICLE AND RELATED EQUIPMENT

WHEREAS, the City of Paso has a vast fleet of rolling stock, including a variety of vehicles and equipment, from fire engines to police cruisers to road graders to turf mowers; and

WHEREAS, new vehicle or equipment purchases (additions to fleet) are required to ensure that each department has the appropriate vehicles and equipment necessary to satisfy changing departmental needs; and

WHEREAS, the addition of a new Training Captain position to the Fire Department necessitates the need for the purchase of an additional Emergency Services vehicle to be added to the fleet; and

WHEREAS, Fire and Emergency Services have also been utilizing two “ghost” vehicles over the past ten years, and with the addition of new Emergency Services personnel there is a continuing need for use of these vehicles; and

WHEREAS, these two vehicles need to be replaced due to their age, wear and tear; and

WHEREAS, Emergency Services vehicles must be equipped to adapt to a variety of conditions that Fire Department personnel encounter; and

WHEREAS, the total cost of three vehicles and related upfitted equipment is \$315,754.35; and

WHEREAS, the Fiscal Year 2025-25 budget has sufficiently appropriated monies for this vehicle.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF EL PASO DE ROBLES DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. All of the above recitals are true and correct and incorporated herein by reference.

Section 2. The City Manager or designee is authorized to purchase three new Chevrolet Silverado 2500 Crew Cab heavy duty four-wheel drive vehicles, radios, and related equipment (or the equivalent thereof) as included as part of the City’s FY 2024-25 Fleet Replacement Program.

Section 3. The City Council finds the action, and the approval of the described contract herein, is not a project under the California Environmental Quality Act pursuant to State CEQA Guidelines, §§ 15061, subd. (b)(2)-(3), 15378 because it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, and the action has no potential to result in either a direct, or reasonably foreseeable indirect, physical change in the environment.
