To Ms. Berman,

It is with great pleasure that we fully support FARMstead ED's Farmer's Market evening, to be held on Friday, July 14th in the Paso Robles City Park. This is a great opportunity for local farmers and artisans to showcase their wares in a festive setting while promoting our local agriculture.

We wish them the greatest success and have made ourselves available should they need our expertise.

Should you have any questions, please don't hesitate to contact me.

Sincerely,

Rhyn Doble
