Subject: Prohibited Businesses issue

[EXTERNAL EMAIL]

To whom it may concern:

As a San Luis Obispo County Firefighter, law abiding citizen, tax payer, dog owner, and local resident to the city of Paso Robles. I would like to write to inform you I have full support of allowing small business owners that have a pet service for dog walking, boarding, dog nannying to be allowed to continue their business and continue being able to board pets in their home. Not only is this their full time business and their steady income, it's a help to the community. I moved to the city of Paso Robles in 2014 and lived here ever since. My wife and I have lived on the east side of Paso since 2019. We have utilized the pet sitting businesses to watch our pets who we love so much when we leave town. We trust these businesses and rely on the owner and continue that trust for overnight boarding. This option gives us a great piece of mind and safety of our pets. Our pets feel comfortable and build bonds with these pet sitters. This cannot be a prohibited code. Please do not allow this to pass. These business owners rely on you as the city of Paso to continue to provide and allow their license to be utilized. This change cannot happen, I can guarantee there are many other citizens of Paso Robles that feel the same way. And I also know out of town folks passing through for vacation utilize these same businesses to help when they have their pets with them. Please reconsider. I appreciate your time.

Best Regards,

Victor Carrillo
