## RESOLUTION 23-XXX

### RESOLUTION OF THE CITY COUNCIL OF THE CITY OF EL PASO DE ROBLES AWARDING A CONTRACT FOR ANNUAL WEST SIDE SLURRY SEAL ROAD MAINTENANCE SERVICES

WHEREAS, application of a slurry seal treatment to existing roadways extends their useful life. For the west side streets shown on Exhibit A, the use of a fiberized slurry seal is proposed.

WHEREAS, this treatment was tested on Tower Road, east of Airport Road and is performing well. Although 20% to 25% more costly than a standard slurry, it is a more robust treatment which is needed for the City's more deteriorated west side streets; and

WHEREAS, to further extend the useful life of these streets, dig-out repairs will also be performed at localized areas prior to placement of the fiberized slurry seal; and

WHEREAS, staff prepared bid documents and advertised for bids. The engineer's estimate was \$575,900; and

WHEREAS, at the bid opening on March 23, 2023, one bid was received from VSS International, Inc., in the amount of \$548,000.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF EL PASO DE ROBLES DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. All of the above recitals are true and correct and incorporated herein by reference.

Section 2. The City find that this action is categorically exempt under the California Environmental Quality Act "CEQA") under the Class 1 exemption, which applies to the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing structures, facilities, mechanical equipment, or topographical features where the project involves negligible or no expansion of existing or former use. (State CEQA Guidelines, § 15301.)

Section 3. The City Council hereby approves the annual west side streets slurry seal project and awards the contract to VSS International, Inc. for slurry seal maintenance in substantially the form attached hereto as Exhibit A, and incorporated herein by reference, subject to any minor, technical, or non-substantive changes as approved by the City Manager and the City Attorney.

Section 4. The City Council hereby authorizes the City Manager to execute an agreement with VSS International, Inc. for the City's annual west side slurry seal maintenance project, in the amount of \$548,000.

APPROVED this 18<sup>th</sup> day of April, 2023, by the following vote:

AYES:

NOES:

ABSENT:

ABSTAIN:
