SUPER SUMMER SIGN-UP PARTY

Recreation Services hosts an annual registration event, known as the Super Summer Sign-Up Party, to mark the day each year when swim lesson registration opens. Community members are invited to visit Centennial Park to register in-person, speak to lifeguards, and process scholarship applications. To keep families busy while they wait, we offer treats, activities and games. Volunteers are needed to assist with the activities, set-up and clean-up, and work alongside Recreation staff.
